

**COMPUPROP LISTING AGREEMENT  
ESTATE AGENTS**

I \_\_\_\_\_ with the ID number of \_\_\_\_\_ and representing \_\_\_\_\_ would like to make use of the opportunity to market property that I/we have been authorised by the property owner to sell or rent, on the Compuprop website. I understand that the monthly listing fee to do an Estate Agent listing amounts to R 290.00. This amount can decrease or increase by giving me 30 days notice. The increase will never be more than 12% and not more than once every 12 months. By paying this amount I will be allowed to list as many properties as I wish. I undertake not to list anything else but residential property, commercial property, stands, offices, agricultural land. I undertake to pay my monthly listing fee by completing a debit order authorisation form authorising Compuprop through Netcash to deduct the monthly listing fee from the bank account indicated on the debitorder authorisation form or any other bank or branch to which I move my account to. I attach the debit order authorisation form to this agreement and understand and accept that no listings will be allowed without a payment being made. I will be responsible for listing and uploading all the information and photo's of the specific property (ties) I would like to list to the database of the Compuprop website. Should the website, due to any reason beyond the control of Compuprop or its members, be of line or non functional I will not hold Compuprop or its members responsible for any losses I/we might have.

I confirm that I have the authorisation to conclude this agreement with you and that I act on behalf of the business I am representing.
